Availability: Single Phase service for all uses subject to rules and regulations established by the cooperative. This schedule is for all types of single phase service (except irrigation), where the patronage from the service is more than \$700.00 per year. A service that is currently on Rate Schedule A will stay on this schedule unless the patronage for that service drops to less than \$400.00 for the calendar year just ended.

Rate Per Month:

Base Charge: \$23.00 per month, plus

Energy Charge: All kwh used per month at 5.8¢ per kwh.

KVA Charge: A monthly charge of \$.50 per billing KVA (KVA draw) for all billing KVA over 15 KVA.

Minimum Charge: \$23.00 per month

Motors: The largest single motor must not exceed 7.5 HP without permission from the cooperative.

Temporary Service: The consumer shall pay all costs of construction and removal; plus the cost of the energy used, under the above rate schedule.

Terms of Payment: If the current monthly bill is not paid within 30 days from the due date, the account becomes delinquent and subject to a 1½% per month interest charge. The account may be disconnected and some arrangement must be made with the office for further service.

Board Approved: October 28, 2015

EFFECTIVE DATE: For all usage on or after January 1, 2016
